EXPERIENCE

RESKILL AMERICANS BOOTCAMP
Front End Developer | Mar 2021 - Oct 2021

- Collaborated through Asana on 3 remote teams of software designers & developers.
- Met deadlines set by my project manager and/or technical managers.
- Utilized Git and GitHub to submit branch requests to three main repositories.
- Build / styled pages and debugged / restyled existing pages.

TEACHER
Sayreville School District | Sep 2006 - Feb 2021

- Designed lesson plans which met the educational and social needs of all students.
- Assessed and managed 100+ students' progress throughout the year.
